In 2007 the Virden Area Foundation restructured the Thomas Memorial Scholarship Awards to create 2 \$1000.00 awards for 2 graduating students who displayed outstanding contributions to both their school and their community.

The winners of the scholarships for 2020 were **Abigail Tomlinson** and **Donovan Lansing**. Mr. Lansing will be pursuing his post-secondary education at Assiniboine Community College in Brandon, MB where he will be taking a Heavy Duty Mechanic Technician course.

The Board wishes to congratulate both young individuals on their past successes and wish them well in their chosen professions.

The Virden Area Foundation is a charitable organization that brings together community-minded people to build a permanent endowment fund from which it supports community projects in the Virden area through the making of grants.
