

The Virden Area Foundation is proud to present:

Virden Skate Park Committee Virden Skate Park

The Virden Skate Park Committee formed in 2016 with the goal of building a local skate park.

In 2021 the park was ready for skateboarders, BMX, and scooter enthusiasts. It has been built on the corner of Fifth Avenue and Lyons Street. It is a designated area/venue for enthusiasts to gather and practice their skills. It consists of several different features used in these sports.

In 2017 the Virden Area Foundation moved to support the project with a grant of \$25,000 which was delivered in 2021. The Board is excited to be a part of this project and the benefits it will provide to the citizens of the Town of Virden.

The Virden Area Foundation is a charitable organization that brings together community-minded people to build a permanent endowment fund from which it supports community projects in the Virden area through the making of grants.
