

The Virden Area Foundation is proud to present:

***The Jean & Murray Thomas
Memorial Scholarship Award
for Student Citizenship
- Recipients 2019***

In 2007 the Virden Area Foundation restructured the Thomas Memorial Scholarship Awards to create two \$1000.00 awards for two graduating students who displayed outstanding contributions to both their school and their community.

The winners of the scholarships for 2019 were **Emily Cochrane** and **Rayna Schwalm**. Ms. Cochrane will be pursuing her post-secondary education at the University of Manitoba to study Architecture. Ms. Schwalm will be pursuing her post-secondary education studying Early Childhood Education at Assiniboine Community College in Brandon, MB.

The Board wishes to congratulate both young ladies on their past successes and wish them well in their chosen professions.

The Virden Area Foundation is a charitable organization that brings together community-minded people to build a permanent endowment fund from which it supports community projects in the Virden area through the making of grants.
