

The Virden Area Foundation is proud to present:

**Arts Mosaic Inc.
Manitoba 150 Mural Mosaic Project**

To celebrate MB 150 the Arts Mosaic Inc. decided to spearhead and oversee a mural project for the communities that they serve. The purpose of the project was to celebrate the artistic talent and cultural diversity of the communities of Virden, Elkhorn, Oak Lake and Reston.

Each mural is designed to celebrate the impact each community has made on the Province. The murals are a celebration of the people, events and historic landmarks that have formed the landscape of each community.

The Virden Area Foundation granted \$4000 to the mural project in Virden. This project has been completed and is located on the Gopher Creek Coffee Company building.

The Virden Area Foundation is a charitable organization that brings together community-minded people to build a permanent endowment fund from which it supports community projects in the Virden area through the making of grants.
