

The Jean and Murray Thomas Memorial Scholarship Award for Student Citizenship 2018

In 2007 the Virден Area Foundation restructured the Thomas Memorial Scholarship Awards to create two \$1000.00 awards for two graduating students who displayed outstanding contributions to both their school and their community.

The winners of the scholarships for 2018 were **Ashlyn Clarke** and **Makenzie Wenstob**. Ms. Clarke will be pursuing her post-secondary education at the University of Regina to study Nursing. Ms. Wenstob will be attending the University of Manitoba to become a pharmacist.

The Board wishes to congratulate both young ladies on their past successes and wish them well in their chosen professions.

The Virден Area Foundation is a charitable organization that brings together community-minded people to build a permanent endowment fund from which it supports community projects in the Virден area through the making of grants.
