The Virден Area Foundation is restricted by the Income Tax Act to make grants only to non-profit organizations with a Revenue Canada Charitable Registration Number (RC) or other qualified Donees under the Income Tax Act.

Non-profit organizations (NPO) who do not have a charitable registration number can apply through a RC with which they have a formalized partnership (through written agreement), a history of collaboration and a similar mission and vision.

Please note: if there is no written agreement, the RC may not be able to clearly establish that a project is charitable and that it is carrying on activities in keeping with its mandate. This could jeopardize the charities status under the Income Tax Act.

The project grant, if approved, will be made out to the RC for disbursement to the NPO.
